I am happy to report to the entire Center School community that we have had an excellent start to the 2015-2016 school year. We have seen great opportunities for learning already coming together in the classrooms and all of our routines going very smoothly over the first three days of school. All of the hard work done during the summer has paid off and I am very encouraged for the year ahead!

Our Kindergarten classrooms had their first official day of school today. They were fantastic students as they were greeted by their teachers, settled into their classrooms and were ready to learn. In several classrooms I have seen our teachers using the technology components of the two math programs that we are piloting. I was also deeply impressed that all of our teachers engaged their students in some manner of getting to know each other and establishing a safe classroom environment.

In our first All School Meeting on the morning of September 2<sup>nd</sup>, I emphasized to students that I wanted to see a great deal of “bucket filling” this year and they delivered. From classroom peers helping new students find their way to students being patient this morning as we made sure kindergarteners were off the buses and with their teachers, I have seen buckets being filled. I would also add that my bucket is rather close to the top as so many students have learned my name so quickly and are kind to say hello.

Some quick announcements:

- Mrs. Cronin will officially start as Assistant Principal next Tuesday. She was in the building today shadowing Mr. Perkins and myself. She is very excited to get started.
- Curriculum Night for Grades 1-5 will be on Tuesday, September 15<sup>th</sup> from 6:15 to 7:45 in the evening. More details will be sent out soon.
- Kindergarten Open House will take place on Tuesday, September 29<sup>th</sup> from 6:30-7:00 in the evening. More details will be sent out soon.
- Please continue to check the school website for all updated dates and events.

We will be sending out another newsletter within a week with update PTO information and upcoming dates. This year we will be shifting the “community news” portion of the monthly newsletter to our website to allow for up to date information and ease of opening on mobile devices. For now, I just wanted to make sure that I connected with families after such a great start to the school year. It is awesome to finally have so many smiling faces with unlimited potential filling our classrooms! Have a wonderful long weekend.

In partnership,

Ross Mulkerin  
Principal
