

June 19, 2008

Dear Parents/Students,

Often before school starts in August, parents and children plan a "shopping trip" and purchase school supplies to prepare for the school year. We'd like to encourage you to purchase materials that would be really useful for the grade level your child will be attending. Attached is a list of suggested supplies that we know are appropriate for students to have at the beginning of the school year.

Please label the school box and other noted items with your child's name. This will help our students be prepared and organized for projects, as well as help teach them to be responsible for their own materials. We will provide materials if this presents a financial hardship for anyone.

Thank you for a wonderful year and have a great summer!

Sincerely,

Gregory Irvine
Principal
