

The Center School

Nashoba Regional School District

Center Community Update

3/13/19

Many thanks to all of those involved in the recent chorus and band concerts at Center. It really is amazing to see students that started as five, four, and even three year olds, with us perform their hearts out. It is a time to step back and be grateful at what an amazing school community we have when we consider how much students learn and develop over the school years.

Anxiety Workshop- On the evening of May 21st, Nashoba SEPAC is sponsoring a presentation on childhood anxiety for parents. Anxiety was an area that parents identified as wanting more parent education about on the Social-Emotional Learning Survey that our School Council put out last year. We will be sending more details once the flyer is ready. For now, we wanted to give families an opportunity to mark their calendars given that this was a sought after topic.

April Vacation Camp- Please see following [this link to the Extended Learning April Vacation Camp](#). We heard that the last one was a blast and more fun opportunities are planned for those in attendance in April.

Heat- Students may report that it was chilly this morning due to our heat not coming on as programmed. Members of the facilities department responded along with an outside technician. The problem was rectified just after 10:00am and the building warmed up.

School Spirit Days- We've had some creative submissions so far for school spirit days. Our upcoming March 20th First Day of Spring: Wear the Rainbow was a combination of a couple of student ideas. Please have students continue to enter ideas in [our collection form](#).

Dr. Ruth Potee- Dr. Ruth Potee, a much sought after speaker on substance use, addiction, and recovery will be speaking at Nashoba Regional High School on March 21st from 6:30 - 7:30pm. This is a free event open to all in the community and students ages 14 and up. Prior to her presentation at 5:30, Hidden in Plain Sight and representatives from Learn to Cope will be available. Please see the attached flyer.

Please open our electronic backpack to review all of our community flyers including sports, clubs, fundraisers and local activities:
