Dear Parents,

Summer vacation is here! The children of The Center School have worked hard throughout the school year and are now looking forward to the many pleasures that summer brings. During the summer months, please continue to enjoy some special reading time with your child. Just twenty minutes of reading each day will help your child maintain acquired skills and can have a great impact on his/her success in the upcoming school year.

To help you get started on your summer reading adventures, here are some tips:

- Set the stage for pleasure-reading by choosing a quiet time and location.
- Don't forget the value of read-alouds; children love to have adults read to them, and an engaging chapter book is a great treat for a parent and child to share.
- Check the Randall Library's schedule of reading-related activities this summer.
- Be sure to check the websites of The Center School, the School Librarian, and the Literacy Specialists for newly updated summer reading lists per grade level. While the lists feature many current authors, titles, and series, they are by no means all-inclusive. There are many other wonderful books to explore and enjoy!
- Have fun reading!

Best wishes for a happy, healthy summer!
