Parents of preschoolers who will be attending the Center Preschool starting in September are encouraged to attend this important information meeting.

An overview of the preschool program will be presented followed by a question and answer period. Parents will also have the opportunity to meet the teachers and visit the classrooms at 6:00 P.M. A packet of paperwork will be distributed for parents to complete over the summer months.

This informational meeting is for parents only. The first day of school orientation will focus on the children's visit and their transition to preschool.

If we do not yet have your child's most recent physical, immunization records, and lead screening results test, it is requested that you bring them to this meeting. If you have a summer physical planned, please update us with the new one as soon as you receive it.

We look forward to seeing you at this important meeting.

Sincerely,
Sandra Hargrave & Jennifer Johnson
